

REMARKS/ARGUMENTS

Applicants respectfully resubmit only the amended claims 1-6, 8-14, 16-21, 24, 29 and 31. Applicants have canceled claims 7, 22, 25, 28, 30 and 34. Evidently, in the process of converting the document for electronic filing, the indication of the newly added text to the claims was lost. Other amendments to the Specification and the remaining parts of prior amendment are believed to be acceptable and are of record for consideration.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (650) 326-2400.

Respectfully submitted,

Kenneth R. Allen
